ARTICLE 1 – PURPOSE

- 1.01 The purpose and object hereof is to establish a salary schedule and other conditions of employment for teachers in the employment of the division and to promote the improvement of the professional and academic standards of such teachers to the benefit of education within the Division.

ARTICLE 2 – EFFECTIVE PERIOD

- 2.01 This agreement shall come into force and effect as from **the first day of July A.D. 2018 to the last day of June A.D. 2022** and shall automatically renew itself thereafter unless either party gives the other written notice by registered mail, of the desire to amend, renew, or terminate this agreement on or before the 30th of June of the calendar year in which termination or amendment is desired.

ARTICLE 3 – QUALIFICATIONS AND CLASSIFICATIONS

3.01 Education Qualifications

a) Standard Classification:

For the purpose of the salary schedule, except as otherwise provided in this agreement, the members of the teaching staff shall be placed in the classification which corresponds to the classification according to the teacher by the Professional Certification Section of the Administration and Professional Certification Branch of Manitoba Education.

b) Limited Permit Teachers

Limited permit teachers will be classified one class lower than they would be with one year of teacher training. Limited permit teachers classified below Class 1 will be paid \$1200 below the minimum of Class 1.

3.02 Allowance for Past Experience

- a) Teachers shall be given credit for past experience at the increment rate for each year of teaching experience as recognized by the Department of Education for grant purposes as at the beginning of the school year and in addition recognition at the rate of one increment for each full year of teaching experience acquired on Letter of Authority to a maximum of two years until Class maximum is reached.

- b) A teacher with special qualifications and related experience in a teaching capacity, where the use of such is recognized by the Board, and to the extent to which such qualification and experience are required and applicable in the teaching situation, shall have the number of additional increments determined with the Human Resources Committee of the Board and Negotiation Committee of the Association.

3.03 Reclassification due to Additional Qualifications

Where increased qualifications are secured which qualify a teacher for an advance in classification on the salary schedule, the resulting increase in salary shall be effective from the 1st day of the month following the filing of satisfactory evidence with the Secretary-Treasurer of the Division. Where qualifications are secured and there is a delay in filing, the following will apply:

- a) When evidence of increased qualifications are secured prior to May of that year but filed between June 1 and December 31, the increase shall be effective September 1 of that same year.
- b) When evidence of increased qualifications are secured prior to December but filed between January 1 and May 31 of the following year, the increase shall be effective January 1 of that year.

Satisfactory evidence shall be documentary evidence that increased qualifications have been registered with the Certification Branch of Manitoba Education Citizenship & Youth.

3.04 Reclassification due to a change in Evaluation or a Re-evaluation of Qualifications

The onus shall be on the teacher coming on staff of the Board to provide within 60 days of commencement of employment satisfactory evidence of qualification and experience. The salary shall be based on such evidence as is submitted within the said 60 days and any salary adjustment thereafter shall be made effective from the first day of the month following which additional evidence is submitted. Satisfactory evidence shall be documentary evidence that increased qualifications have been registered with the Department of Education. The parties acknowledge that the top-up payment made by the Division for maternity leave may extend into the period of time that the teacher is on parental leave but the payment is intended to be a top-up of maternity leave benefits.

9.06 Non-Application

Such a list shall contain the names of those tenured teachers having the least seniority identified in sufficient numbers to enable the Board to lay-off the required number of teachers after taking into account the special subject, program and administrative needs of the Board. The Association and the teacher shall be permitted a period of ten teaching days after posting of such list to protest in writing to the Board any alleged omission or incorrect listing, but such protest shall be confined to errors in or changes occurring since the posting of the last seniority list.
- 19.02 Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of a lay-off, if such teacher does not have the necessary training, academic qualifications and experience for a specific teaching assignment.

The teacher, within ten teaching days of receiving notice of lay-off, shall indicate in writing of his/her wish to be placed on the re-employment list. Length of teaching service with the Board will be used to determine the order in which the laid-off teachers are offered the available positions provided that said teachers have the necessary training, academic qualifications and experience.
- 19.07 It shall be the responsibility of the teacher to report an address to which a recall notice can be delivered. Recall notices will be delivered by registered mail to the last reported address given by the teacher and a teacher who is recalled from lay-off shall be required to indicate, notwithstanding any other time limits in this policy, within 15 teaching days of the registered letter being sent, his/her intent to return to work and shall be required to return to work on the date set out in the notice which date shall not be less than one month's calendar days following such notification, unless by written mutual agreement. Failure to respond within the time limits specified or agreed to shall relieve the onus on the Division for that teacher's placement on the re-employment list and he/she shall lose seniority.

 - c) The teacher is not re-employed within one calendar year after September 30 following the date of lay-off;
 - d) The teacher's contract is terminated for cause;
 - e) Any teacher on the re-employment list who refuses to accept a position for which the teacher has the necessary training, academic qualifications and experience to perform the work in the position offered shall forfeit all right of seniority and re-employment;
 - f) The teacher is employed by another School Board on a regular basis and on a Form 2 contract.
- A teacher who has lost seniority as a result of the application of this article shall be notified as soon as possible that his/her teaching contract has been terminated.
- 19.11 If the Board terminates the contract of a teacher because that teacher is surplus, the Board shall, at the request of the teacher, provide him/her with a letter to this effect.

- 19.12 Notwithstanding any other provisions of this article, the lay-off provisions shall not apply to teachers who are not tenured or to teachers employed on a fixed term contract where during that term the teacher is employed on the express written understanding that such teacher will not, after the completion of such term, be employed by the Division.
